SEELAND

A disturbing sound collage ebbs and swirls. "Notorious drag queen" Justin Bond's positively male, questionably heterosexual voice fills the foreground with distressing images, innocent things like sunshine rendered evil by intonation, and evil things like "Bitter Mommy" served with a heavy-handed dose of terror. When Bond screams out "laaassooooo!", you don't think "rodeo." Imagine a zombie Tiny Tim careening through stitched together film music, and you may have an idea of what this is all about. Still ipstered? I knew you were. *Seeland Records, 1920 Monument Blvd., MF-1, Concord, CA 94520*
